**TREVOR WOOD ASSOCIATES**

Property consultants and publishers TW Research Associates are now trading as Trevor Wood Associates.

To avoid confusion with a similarly named company, TW Research Associates, property consultants and publishers of *The Definitive Guide to Retail and Leisure Parks* and *Going Shopping* are now trading as Trevor Wood Associates. The name change took effect in January 2005.

Trevor Wood, principal of Trevor Wood Associates, comments: 'This move will make communication simpler for our clients as well as subscribers to our reviews.'
